

# Lenovo™ ThinkPad X1 Yoga

## VERSATILITY TO THE MAX

More vibrant, creative, and adaptable than ever—the innovative X1 Yoga just keeps getting better.

The X1 Yoga is the very definition of versatility, as it works the way you want to, accommodating your environment with a 360-degree hinge. It features a built-in, rechargeable pen, with full Inking capability supported in all Office 2016 apps. Enhanced security. Stunning OLED display option. And of course, our legendary ThinkPad heritage—and support.

### WHY YOU SHOULD BUY THE LENOVO™ THINKPAD X1 YOGA

#### Built for Business— Tested For Your Lifestyle

Tested against 12 military-grade requirements and passing more than 200 quality checks, the X1 Yoga is engineered to survive the bumps and bruises of life.

#### Immerse Yourself

Vibrant colors, crisp contrast, dazzling images, and a speedy response time. The X1 Yoga is the world's only business laptop with an OLED display—for superb, immersive viewing.

#### Unleash Your Creativity

Take notes, sketch designs and sign documents with the rechargeable pen. Safely housed within the X1 Yoga, the pen charges while stored, so it's always ready when your creativity calls. Inking has full support in all of your Office 2016 apps—set your imagination free.

#### Prepare to Be Thunderstruck

Connect a cable from your USB-C port to a Thunderbolt™ 3-enabled device, and get four times the data and twice the video bandwidth of any other port type, while also supplying power.

#### 4 Convenient Modes, 1 Awesome 2-in-1

In flight, on the train, or your couch—with its 360° hinge, you can lay the X1 Yoga flat, fold it up, or use it however your environment demands.

#### Up & Running Even If You're Not

Even when WiFi is out of range, the new X1 Yoga has LTE-A (4G) available—so you'll always have connectivity and access to all your data and apps in the cloud.

### WHO NEEDS THE LENOVO™ THINKPAD X1 YOGA?

- 1** Progressive IT decision makers committed to delivering the most effective technology and long-term value for the business
- 2** Creative professionals, engaged with technology, whose imaginations thrive on the freedom of putting the pen to the screen
- 3** Highly-mobile users requiring the performance of a laptop, together with incredible versatility and connectivity to stay productive
